

## **Local Government in Norfolk is facing the biggest shake up in 50 years**

**The Government is proposing:**

- Unitary authorities replace District & County councils in Norfolk and Suffolk**
- Powers moved from local to regional levels**
- Increase in council tax for Breckland residents**

**Breckland Council is writing a proposal to Government to make sure future service delivery is directly informed by local residents and businesses**

**Have your say and help shape the response to Government by completing the survey at**
